81- (2) A permit may be renewed on an application made not less than fifteen days before the date of its expiry.

(3) Notwithstanding anything contained in sub-section (2), the Regional Transport Authority or the State Transport Authority as the case may be, entertain an application for the renewal of a permit after the last date specified in that sub-

section if it is satisfied that the applicant was prevented by good and sufficient cause from making an application within the time specified.

(4) The Regional Transport Authority or the State Transport Authority, as the case may be, may reject an application for the renewal of a permit on one or more of the following grounds, namely:-

(a) the financial condition of the applicant as evidenced by insolvency, or decrees for payment of debts remaining unsatisfied for a period of thirty days, prior to the date of consideration of the application,

(b) the applicant had been punished twice or more for any of the following offences within twelve months reckoned from fifteen days prior to the date of consideration of the application committed as a result of the operation of a stage carriage service by the applicant, namely :-

(i) plying any vehicle -

(1) without payment of tax due on such vehicle;

(2) without payment of tax during the grace period allowed for payment of such tax and then stop the plying of such vehicle;

(3) on any unauthorised route;

(ii) making unauthorised trips;

Provided that in computing the number of punishments for the purpose of clause (b), any punishment stayed by the order of an appellate authority shall not be taken into account:

Provided further that no application under this sub-section shall be rejected unless an opportunity of being heard is given to the applicant.

"Section 88- Validation of permits for use outside region in which granted- (1) Except as may be otherwise prescribed, a permit granted by the Regional Transport Authority of any one region shall be valid in any other region, unless the permit has been countersigned by the Regional Transport Authority of that other region, and a permit granted in any one State shall not be valid in any other State unless countersigned by the State Transport Authority of that other State or by the Regional Transport Authority concerned;

Provided that a goods carriage permit, granted by the Regional Transport Authority of any one region, for any area in any other region or regions within the same State shall be valid in that area without the counter signature of the Regional Transport Authority of the other region or of each of the other regions concerned;

Provided further that where both the starting point and the terminal point of a route are situate within the same State, but part of such route lies in any other State and the length of such part does not exceed sixteen kilometres, the permit shall be valid in the other State in respect of that part of the route which is in that other State notwithstanding that such permit has not been countersigned by the State Transport Authority or the Regional Transport Authority of that other State;

Provided also that-

(a) where a motor vehicle covered by a permit granted in one State is to be used for the purposes of defence in any other State, such vehicle shall display a certificate, in such form, and issued by such Authority, as the Central Government may, by notification in the Official Gazette, specify, to the effect that the vehicle shall be used for the period specified therein exclusively for the purposes of defence; and

(b) any such permit shall be valid in that other State notwithstanding that such permit has not been countersigned by the State Transport Authority or the Regional Transport Authority of that other State."

(5) Every proposal to enter into an agreement between the States to fix the number of permits which is proposed to be granted or countersigned in respect of each route or area; shall be published by each of the State Governments concerned in the Official Gazette and in any one or more of the newspapers in regional language circulating in the area or route proposed to be covered by the agreement together with a notice of the date before which representations in connection therewith may be submitted, and the date not being less than thirty days from the date of publication in the Official Gazette, on which, and the authority by which, and the time and place at which, the proposal and any representation received in connection therewith will be considered.

(6) Every agreement arrived at between the States shall, in so far as it relates to the grant of countersignature of permits, be published by each of the State Governments concerned in the Official Gazette and in any one or more of the newspapers in the regional language circulating in the area or route covered by the agreement and the State Transport Authority of the State and the Regional Transport Authority concerned shall give effect to it."

Prima facie, it appears that in the absence of a reciprocal agreement between the State of Uttarakhand and the State of U.P. as required u/s 88(1) and (5) of the Motor Vehicles Act, 1988, the advertisement issued for inviting applications for grant of permit on the route, namely, Dehradun-Vikasnagar-Dak Pathar and its allied routes appears to be without jurisdiction. Consequently, till the next date of listing, the State Transport Authority respondent No.2 is restrained from granting any permit on Dehradun-Vikasnagar-Dak Pathar and its allied routes unless there exists a reciprocal agreement between the State Uttarakhand and State of U.P.

The respondent No.4 i.e. State Transport Authority Uttarakhand, Dehradun is directed to take decisions on the application moved by the petitioners, annexed as annexure No.2 to the writ petition in accordance with law, expeditiously, preferably within a period of six weeks from the date of production of certified copy of this order.

The modification application stands disposed of finally.

"In a similar matter decided by this Tribunal on 18/08/2011, it has been held that for want of reciprocal transport agreement between two concerned states, State Transport Authority can lawfully grant the permits up to the territory lying in the state of Uttarakhand. No doubt, this is the judgement of concurrent jurisdiction Tribunal and as such having no force as judicial precedent. But principle of judicial propriety requires that this Tribunal should weight the judgement in similar matters to prevent any divergence in judicial decision.

On the basis of above findings, I am of the view that there is no illegality and procedural irregularity apparent on the face of the record. Accordingly revision fails."

"Operation on Inter-state nationalized routes of U.P. and Uttaranchal that was being done on 9.11.2000 by the three regions of U.P.S.R.T.C. situated in Uttaranchal shall be done by the Uttaranchal Transport Corporation. The operation on Inter-State nationalized routes of U.P. and Uttaranchal that was being done on 09-11-2000 by the remaining regions of U.P.S.R.T.C. situated in U.P. shall be done by the Transport Corporation of U.P. Here the Word "Operation" means the routes of the buses and the frequency (trips) of such routes as on 9-11-2000. Hence the number of buses and the frequency on the Inter-State routes shall be limited to the extent of operation done on 9-11-2000. The above principle agreed upon by both the Government shall be deemed to be a part of the Inter-State agreement for operation of stage carriages."

"Section 88- Validation of permits for use outside region in which granted- (1) Except as may be otherwise prescribed, a permit granted by the Regional Transport Authority of any one region shall be valid in any other region, unless the permit has been countersigned by the Regional Transport Authority of that other region, and a permit granted in any one State shall not be valid in any other State unless countersigned by the State Transport Authority of that other State or by the Regional Transport Authority concerned;

Provided that a goods carriage permit, granted by the Regional Transport Authority of any one region, for any area in any other region or regions within the same State shall be valid in that area without the counter signature of the Regional Transport Authority of the other region or of each of the other regions concerned;

Provided further that where both the starting point and the terminal point of a route are situate within the same State, but part of such route lies in any other State and the length of such part does not exceed sixteen kilometres, the permit shall be valid in the other State in respect of that part of the route which is in that other State notwithstanding that such permit has not been countersigned by the State Transport Authority or the Regional Transport Authority of that other State;

Provided also that-

(a) where a motor vehicle covered by a permit granted in one State is to be used for the purposes of defence in any other State, such vehicle shall display a certificate, in such form, and issued by such Authority, as the Central Government may, by notification in the Official Gazette, specify, to the effect that the vehicle shall be used for the period specified therein exclusively for the purposes of defence; and

(b) any such permit shall be valid in that other State notwithstanding that such permit has not been countersigned by the State Transport Authority or the Regional Transport Authority of that other State."

(5) Every proposal to enter into an agreement between the States to fix the number of permits which is proposed to be granted or countersigned in respect of each route or area; shall be published by each of the State Governments concerned in the Official Gazette and in any one or more of the newspapers in regional language circulating in the area or route proposed to be covered by the agreement together with a notice of the date before which representations in connection therewith may be submitted, and the date not being less than thirty

days from the date of publication in the Official Gazette, on which, and the authority by which, and the time and place at which, the proposal and any representation received in connection therewith will be considered.

- (6) *Every agreement arrived at between the States shall, in so far as it relates to the grant of countersignature of permits, be published by each of the State Governments concerned in the Official Gazette and in any one or more of the newspapers in the regional language circulating in the area or route covered by the agreement and the State Transport Authority of the State and the Regional Transport Authority concerned shall give effect to it."*

..... In the third writ petition No. 1749 of 2009 (M/S), the petitioner has sought a writ of certiorari quashing the impugned advertisement by which applications for grant of permanent stage carriage permit on the route Dehradun-Vikasnagar-Dakpathar and its allied routes were invited for which the meeting is to be held on 23-10-2009.

..... It is admitted that the petitioners are existing operators. The writ petitions on the behest of existing operators therein complaining that the applications may not be considered in the meeting are not maintainable.

Accordingly, the writ petitions are devoid of merit and are liable to be dismissed outright.

All the three writ petitions are dismissed in limine.

All pending applications stand disposed of.

Prima facie, it appears that in the absence of a reciprocal agreement between the State of Uttarakhand and the State of U.P. as required u/s 88(1) and (5) of the Motor Vehicles Act, 1988, the advertisement issued for inviting applications for grant of permit on the route, namely, Dehradun-Vikasnagar-Dak Pathar and its allied routes appears to be without jurisdiction. Consequently, till the next date of listing, the State Transport Authority respondent No.2 is restrained from granting any permit on Dehradun-Vikasnagar-Dak Pathar and its allied routes unless there exists a reciprocal agreement between the State Uttarakhand and State of U.P.

"Heard,

Prima facie, it appears that in the absence of a reciprocal agreement between the State of Uttarakhand and the State of U.P., as required under Section 88 (1) and (5) of the Motor Vehicles Act, 1988, grant of permit on the routes, namely, Dehradun-Vikas Nagar-Dak Pathar and its allied routes appears to be without jurisdiction. Therefore, it is directed that till the next date of listing, respondent nos. 6 to 8 are restrained from granting any permit on Dehradun-Vikas Nagar-Dak Pathar and its allied routes, unless there exists a reciprocal agreement between the State of U.P. and if such permission has been issued or renewed, it will remain invalid.

Application stands disposed of.

Let a certified copy of the order be Supplied to the learned counsel for the parties today itself on payment of usual charges."

"Heard,

Instant application have been filed seeking clarification of the order dated 30-09-2011 passed by this Court while disposing of interim relief application no. 10486/11.

Having heard learned counsel for the parties and upon examining the record, the order dated 30-09-2011 passed by this Court is hereby recalled.

List this petition before appropriate Bench, if possible on 14-06-2012.

Both the application stand disposed of,

The case shall not be treated as tied up matter of this Bench.

fnukd 14&06&2012

Taking into consideration the above facts and in view of interim order passed by this Court in W.P. No. 198(M/S) of 2011, meanwhile, the respondents are directed to comply with the provisions contained under section 66(1) of the Motor Vehicles Act,

The interim relief application stands disposed of.

"Section 88- Validation of permits for use outside region in which granted- (1) Except as may be otherwise prescribed, a permit granted by the Regional Transport Authority of any one region shall be valid in any other region, unless the permit has been countersigned by the Regional Transport Authority of that other region, and a permit granted in any one State shall not be valid in any other State unless countersigned by the State Transport Authority of that other State or by the Regional Transport Authority concerned;

Provided that a goods carriage permit, granted by the Regional Transport Authority of any one region, for any area in any other region or regions within the same State shall be valid in that area without the counter signature of the Regional Transport Authority of the other region or of each of the other regions concerned;

Provided further that where both the starting point and the terminal point of a route are situate within the same State, but part of such route lies in any other State and the length of such part does not exceed sixteen kilometres, the permit shall be valid in the other State in respect of that part of the route which is in that other State notwithstanding that such permit has not been countersigned by the State Transport Authority or the Regional Transport Authority of that other State;

Provided also that-

(a) where a motor vehicle covered by a permit granted in one State is to be used for the purposes of defence in any other State, such vehicle shall display a certificate, in such form, and issued by such Authority, as the Central Government may, by notification in the Official Gazette, specify, to the effect that the vehicle shall be used for the period specified therein exclusively for the purposes of defence; and

(b) any such permit shall be valid in that other State notwithstanding that such permit has not been countersigned by the State Transport Authority or the Regional Transport Authority of that other State."

(5) Every proposal to enter into an agreement between the States to fix the number of permits which is proposed to be granted or countersigned in respect of each route or area; shall be published by each of the State Governments concerned in the Official Gazette and in any one or more of the newspapers in regional language circulating in the area or route proposed to be covered by the agreement together with a notice of the date before which representations in connection therewith may be submitted, and the date not being less than thirty days from the date of publication in the Official Gazette, on which, and the authority by which,

and the time and place at which, the proposal and any representation received in connection therewith will be considered.

- (6) *Every agreement arrived at between the States shall, in so far as it relates to the grant of countersignature of permits, be published by each of the State Governments concerned in the Official Gazette and in any one or more of the newspapers in the regional language circulating in the area or route covered by the agreement and the State Transport Authority of the State and the Regional Transport Authority concerned shall give effect to it."*

"Operation on Inter-state nationalized routes of U.P. and Uttaranchal that was being done on 9.11.2000 by the three regions of U.P.S.R.T.C. situated in Uttaranchal shall be done by the Uttaranchal Transport Corporation. The operation on Inter-State nationalized routes of U.P. and Uttaranchal that was being done on 09-11-2000 by the remaining regions of U.P.S.R.T.C. situated in U.P. shall be done by the Transport Corporation of U.P. Here the Word "Operation" means the routes of the buses and the frequency (trips) of such routes as on 9-11-2000. Hence the number of buses and the frequency on the Inter-State routes shall be limited to the extent of operation done on 9-11-2000. The above principle agreed upon by both the Government shall be deemed to be a part of the Inter-State agreement for operation of stage carriages."
