"In a similar matter decided by this Tribunal on 18/08/2011, it has been held that for want of reciprocal transport agreement between two concerned states, State Transport Authority can lawfully grant the permits up to the territory lying in the state of Uttarakhand. No doubt, this is the judgement of concurrent jurisdiction Tribunal and as such having no force as judicial precedent. But principle of judicial propriety requires that this Tribunal should weight the judgement in similar matters to prevent any divergence in judicial decision.

On the basis of above findings, I am of the view that there is no illegality and procedural irregularity apparent on the face of the record. Accordingly revision fails."

"Heard,

Prima facie, it appears that in the absence of a reciprocal agreement between the State of Uttarakhand and the State of U.P., as required under Section 88 (1) and (5) of the Motor Vehicles Act, 1988, grant of permit on the routes, namely, Dehradun-Vikas Nagar-Dak Pathar and its allied routes appears to be without
